

FOUR-DOOR MOTOR CARS 1980-1989

Fuel and Exhaust Emission Control Menu

K&U1	Fuel system and exhaust emission control system fuel tank
K&U2	Fuel filter and pipes - Fuel pump - Fuel pump accumulator pipes and fittings - Fuel filters and pipes (fuel injection system) - Fuel filters, pipes and fittings engine compartment
K&U3	S.U. carburetter (H1F7) Solex carburetters Assembly RH 9959
K&U4	Air fuel meter, fuel injection system - Plenum chamber, valves and pipes fuel injection system - Throttle body and fittings (fuel injection)
K&U5	Automatic choke mounting and hot air pipes Air chest valves and fittings
K&U6	Tee piece induction manifold
K&U7	Induction manifold, cars fitted with S.U. carburetters Induction manifold cars fitted with fuel injection system
K&U8	Throttle control accelerator pedal and pivot RHD cars - Throttle control accelerator pedal and pivot LHD cars - Throttle control engine compartment
K&U9	Air cleaner silencer Intercooler air cleaner
K&U10	Air injection system air pump and mounting Valves, pipes and hoses air injection system
K&U11	Fuel vapour emission control - Canister pipes, hoses and fittings - Filters, valves and hoses (engine compartment) - Solenoid valves and hoses
K&U12	Exhaust gas recirculation system
