

ROLLS-ROYCE MOTOR CARS & BENTLEY MOTOR CARS

Genuine Replacement Parts

Your Rolls-Royce and Bentley Motor Car, regardless of age, is a valuable asset of lasting worth - ensure you protect your asset by fitting only genuine replacement parts.

We have introduced a number of programmes that offer competitively priced genuine replacement parts, produced to original factory specifications. These programmes include:

- Service Replacement Parts
- Carburetters & Injection Components
- Exhausts
- Drive Belts
- Hydraulics
- Dampers

Please ask your authorised dealer for further information.

Genuine replacement parts are designed and tested by Rolls-Royce and Bentley engineers for a perfect fit and to optimise the performance of your motor car.

Continuous testing and evaluation of genuine replacement parts ensure that they are manufactured to original specification or where necessary to improved specification to meet stringent legislative requirements and the exacting standards of Rolls-Royce and Bentley Motor Cars.

Rolls-Royce and Bentley Motor Cars support all authorised dealers with comprehensive information and training enabling them to correctly identify the required parts first time. Furthermore, electronic links to the factory enable instant access to stock availability, price and technical data, offering you the complete service.

To ensure peace of mind insist on only Genuine Replacement Parts for your Rolls-Royce and Bentley motor car.

Authorised Service

As you have invested in a Rolls-Royce or Bentley motor car, you rightly demand the most meticulous attention to detail when it comes to servicing and repairing your motor car.

With a Rolls-Royce and Bentley authorised dealer you have the comfort of knowing that your motor car will receive the full technical support and expertise of the factory. Factory held records, backed up with interactive after-sales CD-Roms, provide the dealer with the background knowledge and experience to quickly and accurately diagnose any problems with your motor car.

Your authorised dealer is equipped with all the tools and diagnostic equipment required

to ensure that your motor car is maintained in excellent working order whatever its age.

Rolls-Royce and Bentley Motor Cars ensure that their dealer technicians are fully factory trained on motor cars of all ages and are continually kept up to date with latest technologies and developments. They have the experience and knowledge to examine your motor car and recommend a maintenance programme that will keep your Rolls-Royce or Bentley motor car in optimum condition.

Servicing your motor car at your authorised dealer is more price competitive than you may think. Please ask us for a quote.

Servicing your Rolls-Royce or Bentley motor car at the recommended service schedules along with the authorised dealer's official stamp in your service book will protect it's value and desirability.

Rolls-Royce and Bentley Motor Cars After Sales Warranty

- 1 year parts and labour warranty if fitted by an authorised Rolls-Royce and Bentley dealer
- 1 year parts warranty only, if not fitted by an authorised Rolls-Royce and Bentley dealer
